## IN THE UNITED STATES DISTRICT COURT FOR THE NORTHERN DISTRICT OF GEORGIA

UNITED STATES OF AMERICA ex rel.,

KELLI WILLIAMS,

Plaintiff-Relator

Civil Action No. 1:18-CV-0680-SCJ

v.

THE SOUTHERN COMPANY, INC., SOUTHERN COMPANY SERVICES, INC., and MISSISSIPPI POWER COMPANY,

Defendants.

# <u>DEFENDANTS' REPLY IN SUPPORT OF THEIR MOTION TO POSSESS</u> & OPERATE ELECTRONIC DEVICES IN THE COURTHOUSE

Defendants respectfully ask the Court to (i) grant their Motion to Possess and Operate Electronic Devices in the Courthouse (the "Motion") and enter the corresponding Proposed Order (ECF No. 40-1) as filed, and (ii) deny Relator's unusual request that Defendants provide her, at least two weeks before the hearing, any materials they intend to display during the hearing.

Relator's request in this regard is both unwarranted and inconsistent with custom and practice in this Court. Indeed, it is neither customary nor required, by rule or otherwise, for civil litigants to exchange materials in advance of oral argument on a motion to dismiss. Furthermore, Relator offers no explanation,

justification, or legal authority for this extraordinary request. Defendants, therefore, ask the Court to grant their Motion and enter the corresponding Proposed Order as filed, leaving aside Relator's unjustified request. To allay Relator's purported concerns, Defendants will certainly supply Relator, and the Court, with courtesy hard copies of any materials used to aid in the presentation of Defendants' argument.

Dated: July 5, 2024 Respectfully submitted,

#### /s/ Kendall Runyan
